

Stewardship - Learn Your Faith

Our faith is a treasured gift from God. Reading the Bible is one of the most important things we can do. We need to learn more about our faith each day and ask God for the wisdom to live it in our actions and then share it with as many friends as we can. The challenge of reading the entire Bible can be overwhelming. A good way to start is with The Great Adventure system. This is a Catholic Bible learning system that makes the complex simple by teaching the story (the narrative) of the Bible. We strongly recommend that in doing the Bible Timeline Bible Study, you make the time to read all the chapters that tell the story of each particular time period. The readings are rarely short, and at times they are difficult. But there is no substitute for actually reading, by yourself, the story of salvation history the way the inspired authors recorded it. The authors of this study have received hundreds of letters from people who found completing the reading a challenge, who persevered, and who were exceedingly blessed in the process. Many of those went back to do the study a second time.
